

- 1 Log in to eRA with your UCT credentials using the following link:
<http://eraonline.uct.ac.za>
Click **Login** which can be found at the top right of the screen.

- 2 Once logged in, use the **drop-down arrow** to switch from the default **Researcher** role to **Committee Administrator (Ethics)** role.

- 3 On your dashboard, under **Things to do**, amendment applications to review can be found under the heading **Ethics applications(s) require an initial review**.
Click **View All** for a list view of all applications under this heading.
Please note: This may include all initial full applications as well.

Alternatively, to specifically filter for amendment applications, from the left navigation, click **Ethics Management**, then **Ethics Applications** to display a list view of all ethics applications. Using the filter function, create a query where the type of ethics application is an Amendment. Then click **Apply**.

- 4 Find the application you would like to review from the list and click **Edit/Open** to open the application.

- 5 1. Navigate to the **REC Review** tab after checking the form for correctness and accuracy.

2. The Ethics Admin will complete the required fields on the form for the initial assessment.
